An Ingersoll Rand Business

Chemical metering pumps, mixers, and systems deliver reliable performance. Find out more ! Engineered and standard chemical metering pumps to fit every application.

PUMPS

Dosing Pumps Metering Pumps Plunger Pumps

AGITATOR MIXER

Agitator

Veolia offers an entire range of water and waste solutions tailored to meet the specific needs of municipalities and industries across India.

WATER TREATMENT CHEMICALS

Membrane Chemicals | Boiler Chemicals | RO chemicals
Waste water Chemicals | Cooling Chemicals

ECOTREAT®

Eco reatreat is revolution in the industrial cleaning sector. The quality and performance is the proof of why you should go with the most reliable JKET cleaning products range

CLEANING CHEMICALS

Descaler chemicals | Corrosion Remover
Foam & Dust Cleaning | Coils & Fins Cleaning

YTS pumps are specifically designed to be used in process type liquid transfer applications and offer various engineered design features enabling efficient high viscous liquid transfer & high operational realibility.

AODD PUMPS

Air Operated Double Diaphragm (AODD) Pumps

It is a range of gear pumps which are suitable for pumping liquids of any viscosity. Solids cannot be handled, but the pumps can cope with abrasive particles. Best for: liquids having strong abrasive particles which are not easy to process

GERA PUMPS

International Geraed Pumps

HYDRO PROKAV
Proven Performance for Better Pumping Solutions

Hydro Prokav is the range of well designed screw pumps, for efficient working of plants with heavy liquids like slurry. Being a reputed brand it is the promise of quality and best experience of works.

HYDRO PROKAV PUMPS

Screw Pumps

xylem
Let's Solve Water

Xylem offers products and systems designed to effectively meet the demands and challenges of treating water and wastewater. Xylem is a leader in developing innovative water solutions through smart technology. Water technology insights. Global case studies.

CENTRIFUGAL PUMPS

End Suction Pumps | Double Suction Pumps
Submersible Pumps | Multi stage Pumps | Booster Pump Set

HITACHI  **SULLAIR**

Sullair has been on the leading edge of compressed air solutions. We were one of the first to execute rotary screw technology in our air compressors, and our machines are famous throughout the world for their legendary durability. As the industry moves forward, we will remain at the forefront with quality people, innovation, and air compressors that are built to last.

AIR COMPRESSOR

Oil Lubricated Screw Compressor | Oil free Screw Compressor

 **RAKIRO**
Create...Innovate...Deliver!

We are glad to introduce ourselves as company that provides solutions for testing, measurement and water treatment in various Industries.

TESTING DEVICES

Water testing kits | Digital instruments
Microbiological Test Kits

ASTRON

Astron Pumps & Equipments Pvt. Ltd. is a magnificent company that produces numerous types of magnetic drive pumps as well as spare parts in the highest quality. Now, in the market, we have introduced a new product whose motor and pump are close coupled in a convenient and compact design for quick installation in limited space.

PUMPS

Magnetic Drive Pumps

ALFA PUMPS

With a fusion of customer-centric approach and world-class technology, ALFA Pumps is your one-stop solution for pumping corrosive and abrasive chemicals. With in-house manufacturing, design and testing facility, we aim to deliver a maximum of your aspirations.

PUMPS

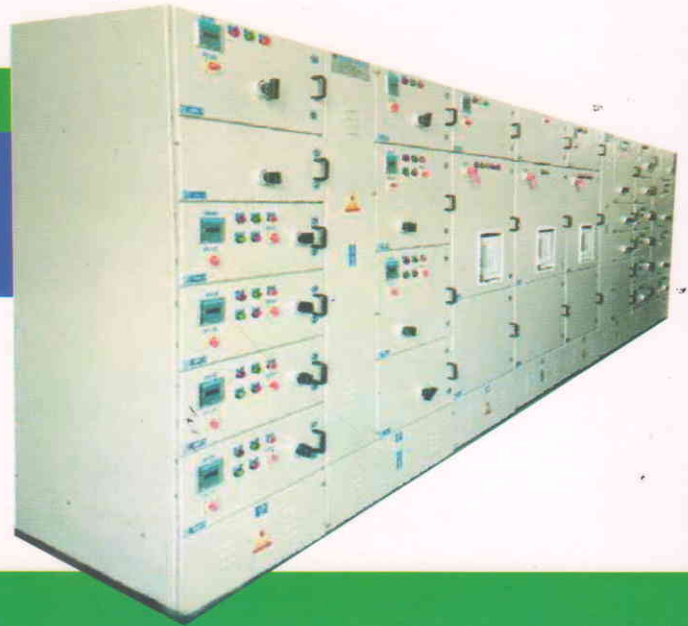

Non-Metallic pumps for chemical transfer

All type of electrical panels which has efficient and best performance in various kinds of industries. Properly Designed for quality basis which is tested for smooth performance.

PANEL

LT Panel
AMF Panel
VFD Panel
Power Control Center
STP, ETP & WTP Panel

ABOUT US

STPEL Was Founded in 2009, by Mr. Teer Karan Singh. After Working of 10 Year in field of Sales and Service of Industrial Equipment's Product - Industrial Pumps -Centrifugal Pumps, External Gear Pumps, Screw Pumps, AODD Pumps, Metering / Dosing Pumps, and Screw Air Compressors Air Dryer and Accessory, We have deep knowledge of Liquid and Air Transfer Technology, Good Team of Engineers for sales and service with Dedicated Application Engineers and Back Support.

VISION

We are Committed to Provide Best Technology With Cost Effective Solution to our Esteem Customers.
